The Honorable James E. Van Zandt
House of Representatives
Washington 25, D. C.

Dear Jim:

Enclosed herewith is a copy of the talk that I made last night to the convention of the Veterans of Foreign Wars. In actual delivery, I pepped it up a bit and I must say that for as serious a talk as this, the audience of some 1,700 really paid close attention.

Again, many thanks and sincere appreciation for having thought of me in connection with the Bernard Baruch Award.

Sincerely,

Allen W. Dulles
